# On the Water's Edge

A short film on DVD featuring marine life, plants and birds found along our coastline. Presented by Audrey Murphy and produced by Sherkin Island Marine Station, it aims to provide a small insight into life on the water's edge.

Interactive educational material for children of all ages is available

on the DVD and can be viewed on a

Computer DVD player. The information will

- help children understand more about life by the sea
- increase their knowledge of sea life, birds and plants
- help them learn more about adaptations by plants and animals
- help them learn more about nature in a fun way.

The interactive material includes:

- easy to use interactive material
- printable colouring sheets of animals and plants
- a slideshow of over 40 animals and plants and
- nature's quizzes to make learning fun
- and much more!

Price: €16.95 (Available directly from Sherkin Island Marine Station - post free)

Print drawings to colour, slideshows, quizzes and much more.
